To honor the excellence, talent, and many accomplishments of the DRRHS Class of 2009 as you start off on your new endeavors, I offer you some words of wisdom from "The Places You'll Go" by Dr. Seuss:

Congratulations!
Today is your day.
You're off to Great Places!
You're off and away!
You have brains in your head.
You have feet in your shoes
You can steer yourself any direction you choose.
You're on your own. And you know what you know.
And YOU are the one who'll decide where to go.

OH!
THE PLACES YOU'LL GO!

On and on you will hike and I know you'll hike far and face up to your problems whatever they are.

And will you succeed?
Yes! You will, indeed!

I wish each of you success on any hike that you choose to take make your dreams come true!

Best wishes for the future,
Dr. Kathleen A. Montagano
Superintendent of Schools

Dear Class of 2009,

Congratulations to you, your families, and all of your many friends and supporters! The academic credits and the graduation diploma you now receive from Dighton Rehoboth Regional High School are essential elements for future success. Whether at college, university, work, or the military your next accomplishments should reflect your attainment of the tools to reach and acquire your new goals. We trust you have learned to communicate, to think critically, to solve problems, to properly utilize technology, and to develop into independent, contributing citizens who appreciate and celebrate the diversity and cultural richness of the world you are about to enter.

As your principal, I have watched you grow into young adults. I am quite aware that many of you have struggled and juggled many responsibilities during the past four years of high school including academics, jobs, athletics, extra-curricular activities, community service commitments and certainly family and personal challenges. For a rich and fulfilling life, I hope you will continue to maintain the balance between future obligations and responsibilities and the joys of your new life experiences. I hope you will remember the values established by your family and community that we nurtured here at school.

It has been a pleasure to serve as your principal. I wish each and every one of you the best the world can possibly offer. Remember to always work hard, take care of others as well as yourselves, and most of all, meet your new life "honestly and courageously."

Sincerely,
Ms. Van Buren

"People grow through experience if they meet life honestly and courageously. This is how character is built."
-Eleanor Roosevelt

Congratulations on all of your accomplishments, and good luck with your future adventures. Keep in mind as you go forward: "What lies behind us and what lies before us are tiny matters compared to what lies within us." ~Ralph Waldo Emerson

Jennifer Wordell
Assistant Superintendent
Dighton-Rehoboth Regional

To the Class of 2009:

An anonymous author was once asked the question: "What is success in this world?" His response: "I would say it consists of four simple things – to live a lot, to love a lot, to laugh a lot, and, from it all, to learn a lot."

Four years ago you began your high school careers with a blank slate. You leave Dighton-Rehoboth with a full record, detailing many wonderful memories and learning experiences. Working with you over these past four years has been fraught with success and failure, victory and defeat, and I trust you leave here with fond recollections of the place, the people, and the process, all of which will guide you to live, love, laugh, and learn.

May you all find the successes in life toward which we hope our school has guided you. I sincerely wish that all your futures provide you with happiness, good health, and good fortune. Enjoy turning the page to the next chapters of your lives.

Mike Rubin
Assistant Principal

Congratulations Seniors!

Even though I have not known you for long, I have been so impressed with your great example to the younger students of this building. Your presence will be greatly missed by those who have become used to your wonderful attitudes and work ethic. Have a fantastic summer and a fabulous start on your new life, wherever that may take you!

Ann Palmer
Assistant Principal

You've graduated -- congratulations! The diploma that you received at your graduation attests to the fact that you have mastered all of the standards that we put before you. It took four years of effort on your part to achieve that goal. You did it. Don't ever minimize that accomplishment. Now what? What's next on your agenda of things to do? Are you entering the work force? Enlisting in the military? Continuing with your education? Whatever goal you set for the next phase of your life, give it your very best effort. Don't settle for anything less. May your future be marked with much happiness and success.

F. Leon Sibielski
Director of Guidance

"Be fearless. Have the courage to take risks. Go where there are no guarantees. Get out your comfort zone. The road less traveled is sometimes fraught with barricades, bumps and uncharted terrain. But it is on that road where your character is truly tested. Have the courage to accept that you're not perfect, nothing is, and no one is – and that's OK." -Katie Couric

D-R has prepared you well. You have overcome the barricades and bumps that go along with one's high school experience. Now it's time to begin your journey into that uncharted terrain. Good luck and best wishes.

Season Summary:
Congratulations to the entire team for another successful season. For the fourth consecutive year they were SCC champions with a conference record of 14-0-2. Aditionally, with an overall record of 14-2-2 they qualified for the state tournament for the fourteenth season straight. This is quite an accomplishment considering they lost 6 starting players from the 2007 season. Our nine seniors move on having established an overall record of 68-8-8, something to be very proud of.

Season Summary:
The 2008 season proved to be an exciting one for DR volleyball- led by captains Kelsey Powers, Megan Roy and Emily Williams, the Falcons pushed tournament eligibility until the final week of the season. The team finished with a nine and eleven record. The Falcons were the most improved program of the conference. Particularly impressive was the fact that the Falcons were the shortest team, yet with intelligence and patience, the girls beat teams much taller.

Season Summary:
The 2008-2009 basketball season had many twists and turns, but it was, without question, exciting and entertaining. The final record of 11-10 only begins to tell the story of a team that overcame initial frustration, disappointment, and injury to climb out of a deep hole to finish in fourth place in the SCC and qualify for the state tournament for the first time in 4 years. After losing two games in overtime, another by 1 and another by 3, the Falcons were a lowly 2-6 overall and 1-5 in the SCC, residing in eighth place. A six game winning streak propelled the Falcons to an 11-9 finish, qualifying for the state tournament for the first time in four seasons. Playing the first boys' home tourney game in more than 25 years, the Falcons lost an exciting, hard fought 59-52 contest to Foxboro. Season highlights include a thrilling win at second-place Fairhaven when junior SCC all-star Josh Koneski (19 points per game), banked home a three point shot from half court as time expired to give the Falcons a one point victory. The Falcons also swept arch-rival Seekonk in two hard- fought games. Senior captain, Nik Montanino, all-SCC honorable mention, averaged a double-double in points and rebounds (13ppg and 11 rpg).

Season Summary:
Returing only two starters from last year's team, picked to finish near the bottom of the SCC, the Falcons surprised all observers by finishing with a remarkable 16-4 record, capturing the SCC title for the fourth consecutive year and for the twelfth time in the last fifteen years. After a sputtering 2-4 start, the team rattle off 14 consecutive wins including the victories over state tournament qualifiers Fairhave, New Bedford Vocational, Old Rochester, and Seekonk. The Falcons suffered a heartbreaking 2-0 defeat to Foxboro in the state tournament, despite a one hitter pitched by Boff. The Falcons were led by All-SCC selections, senior captains John Simmons (.506, 3 HR, 24 RBI), Karney Boff (5-3, 1.96 era, 40 K, 12 BB), and Sam Duford (.342, 1 HR, 17 RBI), Honorable mention selection Sean Amaral (6-0, 3.53, 26 K, 2 BB). For the season, the pitching staff limited opponents to a .246 batting average while striking out 113 and walking only 33. Improving steadily during the season after a slow startm the Falcons batted .309 as a team with a .402 on-a-base-percentage.

Hi everyone!

At the beginning of our freshman year, I remember being told that we would walk through these doors four times, and then before we knew it, high school would be over. Of course, at the time, I couldn't begin to imagine the end of my journey, but now that it's here, those words feel incredibly true. Looking back, I'm glad to have made the memories I did because for better or worse, they've shaped who I am and who I will become. So, instead of writing you some long message about the transience of high school and its impact on the rest of our lives, I figured I would simply share with you some of my favorite memories. Hopefully this book contains some of yours.

Congratulations Class of 2009!!

Do what you love and you'll have nothing to regret.
Lauren Scungio

Hey guys!,

So, I don't know about you, but I thought my high school experience would be a lot more like a scene straight out of the movie "Back to the Future." Minus all of the time travel, I expected my first day to be a mirror image of George McFly's first day at Hill Valley High. "Kick me" signs on nerds' backs, everyone hanging out at the diner after school, and of course the classic "Enchantment Under the Sea" dance. What I got was a different experience entirely. Making the yearbook this year brought me back to some of the fondest, and least fond memories I shared with others here at Dighton Rehoboth High. Here I learned not just how to avoid classes with frequent bathroom breaks, but more importantly who I want to be. It sounds cliché, but I don't think I would be the person I am today without every single laugh and tear that took place over the last four years. Going through all the photos, I honestly thought I would have gotten a bit more choked up, but not even at graduation did I shed a tear. Truthfully, I have nothing to be sad about. Everything I really need from high school will follow me where ever I go, and the same goes for all of you. Enjoy your life, and enjoy this yearbook. It took forever to make.

Live it up,
Sarah McPartland
